
'Sexy, sassy and exciting.' - Rea's Book Review. The final part of the provocative After Dark trilogy, perfect for fans of L.S. Hilton's Maesta, E.L. James' Fifty Shades of Grey and Sylvia Day's Crossfire series. Can a fractured love be salvaged? Parting with Dominic has left me broken in a way I could never have imagined. We held elation in the palm of our hands, but one misunderstanding brought it crashing down around us. Now the hurt and sadness follows me like a shadow and makes choosing the right path to take impossible. But one moment with him and the pulsing heat is singing in my blood again; his touch lights a fire that my body refuses to ever forget. I'm hopelessly lost in him. Finding our way back to one another will take trust and a leap of faith - only then will we know whether we have a chance at forever. If you were consumed by the first two books in the series, PROMISES AFTER DARK will not disappoint This is a pleasure we should all indulge in. Fotografisk billedværk med kvinden i centrum i modeverdenen i Paris, Milano og Rom Howard Halliday, editor-in-chief of the Midnight Examiner, a tabloid, finds himself caught up in an unexpected adventure involving the Mafia and a voodoo sorceress. In the storm-swept landscapes of Normandy's coastline lies a village that might just be at the ends of the earth. A woman has recently arrived to seek healing for some deep sorrow, and spends her days cataloguing migratory birds. On the day of a battering storm a stranger appears in the bar, arousing her curiosity. He stirs up suspicion in the village, looking for answers to apparently unanswerable questions about his family lost long years ago in an accident at sea. What actually happened? How was it that the lighthouse did not guide them safely to shore? The eccentric inhabitants of this desolate village seem riveted to old hatreds, determined to leave secrets buried. Gradually the bird-watcher succeeds in unravelling a tragedy at the heart of a community in which many are suffering still from the loss of people they have loved. And in the process finds her own peace. The Breakers is an immensely satisfying and evocative mystery of great depth. Claudie Gallay unpeels the emotions of her unforgettable characters with such subtlety that the reader is captivated. Addressing algebraic problems found in biomathematics and energy, Free and Moving Boundaries: Analysis, Simulation and Control discusses moving boundary and boundary control in systems described by partial differential equations (PDEs). With contributions from international experts, the book emphasizes numerical and theoretical control of moving boundaries in fluid structure couple systems, arteries, shape stabilization level methods, family of moving geometries, and boundary control. Using numerical analysis, the contributors examine the problems of optimal control theory applied to PDEs arising from continuum mechanics. The book presents several applications to electromagnetic devices, flow, control, computing, images analysis, topological changes, and free boundaries. It specifically focuses on the topics of boundary variation and control, dynamical control of geometry, optimization, free boundary problems, stabilization of structures, controlling fluid-structure devices, electromagnetism 3D, and inverse problems arising in areas such as biomathematics. Free and Moving Boundaries: Analysis, Simulation and Control explains why the boundary control of physical systems can be viewed as a moving boundary control, empowering the future research of select algebraic areas. Eager to produce a male heir for her family's freighting empire, single Cassandra Clayton rescues Steve Loring from the hangman's noose in return for his stud services "The finest American playwright of his generation" (Sunday Times) When Bobby returns to the old neighborhood, the people and places of his past cast shadows over the present. In a trio of interleaved scenes, The Old Neighborhood provides a rare personal insight into the world of one of America's greatest contemporary dramatists. A successful sitcom writer with plenty of money, a stable marriage, a platonic mistress and a flash car, Laurence 'Tubby' Passmore has more reason than most to be happy. Yet neither physiotherapy nor aromatherapy, cognitive-behaviour therapy or acupuncture can cure his puzzling knee pain or his equally inexplicable mid-life angst. As Tubby's life fragments under the weight of his self-obsession, he embarks - via Kierkegaard, strange beds from Rummidge to Tenerife to Beverly Hills, a fit of literary integrity and memories of his 1950s South London boyhood - on a picuresque quest for his lost contentment. During a school trip to Buchenwald concentration camp, a young French teacher comes across a photograph taken in the camp in 1941 of a prisoner whose resemblance to his own father is uncanny. However the man has a different name and died in 1942. His
search for the truth takes him into the darkness of his own family. "Upside Down gave me all the feels. Romantic and poignant, the journey of love and acceptance lingers long after the book is closed." - Jennifer L. Armentrout/J. Lynn

For the next six months, she'll act like a carefree exchange student, not a girl sinking under the weight of painful memories. Everything is going according to plan until she meets a brooding surfer with hypnotic green eyes and the troubling ability to see straight through her act. Bran Lockhart is having the worst year on record. After the girl of his dreams turned into a nightmare, he moved back home to Melbourne to piece his life together. Yet no amount of disappointment could blind him to the pretty California girl who gets past all his defenses. He's never wanted anyone the way he wants Talia. But when Bran gets a stark reminder of why he stopped believing in love, he and Talia must decide if what they have is once in a lifetime . . . of if they were meant to live a world apart. Book 1 in the OFF THE MAP series.After the death of her father, classically trained pianist Mia Kelly gives up a possible career as a musician to run her father's New York City café, but all that changes when she meets a charming guitarist named Will. Original Une voiture capricieuse et un auto-stoppeur aux poches blindées de drogues en tout genre, voilà de quoi passer le temps lorsqu'on fuit le pays vers la frontière mexicaine. Mais encore faudrait-il savoir ce que l'on fuit vraiment... France is a foreign country - they do things differently there . . . Meet Paul Blick, a man not quite at home with his times. From his childhood in 1950s Toulouse via adolescent fumblings and on to adulthood, Paul charts and unsteady course through life. Over four decades of sexual adventure and infidelity, of working as a photographer and bringing up a family, while the political landscape rearranges itself beneath his feet, he tries to make sense of a life that while not conventional is always very French . . . Spoiled rich girl Savannah has always had a lust for sexy men, a wild appetite for partying, and a blatant disregard for others. When she finds herself pregnant and alone after burning all her bridges, it looks like she'll be getting a taste of her own medicine. Stubborn and set in her ways, she pushing away the only person who really cares. Billy has one goal, to convince Savannah that hope and happiness are still within reach. But somethings got to give. The USA Today bestselling author tempts success in this stunning debut novel. National bestselling author Eileen Wilks draws readers into a bold new world where the magical and mundane co-exist in an uneasy alliance--and a cop balanced on her own knife-edged struggle is their only hope against a cold-blooded killer. In The Old Neighborhood David Mamet confirms his stature as a master of the American stage, a writer who can turn the most innocuous phrase into a lit fuse and a family reunion into a perfectly orchestrated firestorm of sympathy, yearning, and blistering authentic rage. In these three short plays, a middle-aged Bobby Gould returns to the old-neighborhood in a series of encounters with his past that, however briefly, open windows on his present. In "The Disappearance of the Jews," Bobby and an old buddy fantasize about finding themselves in a nostalgic shetl paradise while revealing how lost they are in their own families. In the comfort of her kitchen, Bobby's sister "Jolly" unscrolls a list of childhood grievances that is at nice painful and hilarious. And the old girlfriend in "Deeny," faced with a man she once loved, finds herself obsessively free-associating on gardening, sex, and subatomic particles. Swerving from comedy to terror, from tenderness to anguish—with a swiftness that unsettles even as it strikes home—The Old Neighborhood is classic Mamet. From the author The New Yorker hails as “one of the most skillful psychological portraitists writing anywhere.” The Splendor of Portugal’s four narrators are members of a once well-to-do family whose plantation was lost in the Angolan War of Independence; the matriarch of this unhappiest of clans and her three adult children speak in a nightmarish, remorseless gush to give us the details of their grotesque family life. Like a character out of Faulkner’s decayed south, the mother clings to the hope that her children will come back, save her from destitution, and restore the family’s imagined former glory. The children, for their part, haven’t seen each other in years, and in their isolation are tormented by feverish memories of Angola. The vitriol and self-hatred of the characters know no bounds, for they are at once victims and culprits, guilty of atrocities committed in the name of colonialism as well as the cruel humiliations and betrayals of their own kin. Antunes again proves that he is the foremost stylist of his generation, a fearless investigator into the worst excesses of the human animal. Now comes with a free companion audio app that allows readers to scan the pages to hear words spoken in both French and English. Elise Andrioli is back on the case. Having solved the mystery of the child serial killings outside Paris, Elise has become sort of a minor celebrity, selling the rights to her story to a mystery writer named Brigitte Aubert. “A chef buys an apartment in Paris and endures the headaches and excitement of renovating his own corner of paradise in the City of Light” —A previously unpublished collection of Robert Doisneau’s color photography provides a unique opportunity to revisit the early years of one of America’s legendary holiday destinations. In 1960, Robert Doisneau was invited by Fortune magazine to cover Palm Springs, the hottest travel destination of the day. Renowned as a playground for the rich and famous, as well as for a silver-haired and well-heeled clientele, it was a world of swimming pools awash with bobbing beehives, martini-fueled parties, and relaxed games of golf, all unfolding against a desert backdrop. There, Doisneau took hundreds of photographs, twenty-three of which were published in the magazine. The rest have been rediscovered in his archives and one hundred are featured here for the first time.

Doisneau is best known for his black and white portraits of Parisian street scenes. This rare color collection—which is supplemented with a facsimile reproduction of Doisneau’s original Fortune article—offers a new perspective on his photographic legacy. Accompanying these nostalgic images are extracts from the photographer’s personal correspondence—small masterpieces of derision and self-derision in which he describes being marooned in the “world capital of winter golf”—and an equally amusing introduction written by award-winning French novelist Jean-Paul Dubois. “Extraordinarily beautiful; an earnestly ambitious debut.” —The New York Times Book Review

“A wild, angry, and devastating masterpiece of a book.” —NPR “[A] descendent of the Dickensian ‘social novel’ by way of Jonathan Franzen: epic fiction that lays bare contemporary culture clashes, showing us who we are and how we got here.” —O, The Oprah Magazine

One sweltering night in 2013, four former high school classmates converge on their hometown in northeastern Ohio. There’s Bill Ashcraft, a passionate, drug-abusing young activist whose flailing ambitions have taken him from Cambodia to Zuccotti Park to post-BP New Orleans, and now back home with a mysterious package strapped to the undercarriage of his truck; Stacey Moore, a doctoral candidate reluctantly confronting her family and the mother of her best friend and first love, whose disappearance spurs the mystery at the heart of the novel; Dan Eaton, a shy veteran of three tours in Iraq, home for a dinner date with the high school sweetheart he’s tried desperately to forget; and the beautiful, fragile Tina Ross, whose rendezvous with the washed-up captain of the football team triggers the novel’s shocking climax. Set over the course of a single evening, Ohio toggles between the perspectives of these unforgettable characters as they unearth dark secrets, revisit old regrets and uncover—and compound—bitter betrayals. Before the evening is through, these narratives converge masterfully to reveal a mystery so dark and shocking it will take your breath away. In the aftermath of a Chippewa-Finnish man’s death from Lou Gehrig’s disease, his wife, daughter, and brother-in-law read the family history he has left behind, study his philosophies about death, and struggle to redeem their own pasts. Paul Hansen is in prison. He’s been in this prison on the outskirts of Montreal for a couple of years now, sharing a cell with a murderous Hell’s Angel who often reminds Paul that he could kill him at any moment. What did Paul do to end up here? And why does he jeopardize his life and release by refusing to show remorse? Before prison, there were his parents. There were his friends at the Excelsior, the luxury apartment complex where Paul worked as caretaker as well as restorer of souls and comforter of the afflicted. And there was his partner, Winona, an intrepid seaplane pilot, and their beloved dog, Nouk. Many of those closest to him are gone now, but Paul still talks to them; they appear in his dreams and as ghosts in his cell. From France in the sixties to the asbestos mines of Quebec, from the sand dunes of the peninsula where the Baltic connects to the North Sea to the wild lakes and mountains of Canada, Jean-Paul Dubois’s extraordinary novel and winner of...

the Prix Goncourt Not Everybody Lives the Same Way, follows this man, Paul Hansen, as he reviews his life. A life of equilibrium, it has given Paul both tragedy and gifts—that is, until the moment when fate presents him with someone capable of breaking his balance. Not Everybody Lives the Same Way is a powerfully original and unusual novel. Masterfully translated by David Homel and brilliantly animated by Jean-Paul Dubois’s keen feeling for humanity and intense revolt against all forms of injustice, it asks the question: What does it take to live a dignified life?

Meet Paul Blick: born in France (but not Paris); son of a car dealer; provincial sociology student-cum-theoretical revolutionary; briefly employed (by his father-in-law); married and soon to discover adultery and other satisfactions of a desperate househusband as consort of a high-flying wife who conquers the world as CEO of a Jacuzzi-manufacturing company. This not-so-extraordinary Frenchman is delivered to the not-so-extraordinary awareness of having arrived in middle age more a product of his times, his country, and blind chance than a creature of his own free will. Jean-Paul Dubois gives us a man whose life reflects the story – the mind and the heart – of a society coming belatedly, poignantly, and often hilariously to grips with the abiding pain and intermittent beauty of what living has become.

Pedigree is Georges Simenon’s longest, most unlikely, and most adventurous novel, the book that is increasingly seen to lie at the heart of his outsize achievement as a chronicler of modern self and society. In the early 1940s, Simenon began work on a memoir of his Belgian childhood. He showed the initial pages to André Gide, who urged him to turn them into a novel. The result was, Simenon later quipped, a book in which everything is true but nothing is accurate. Spanning the years from the beginning of the century, with its political instability and terrorist threats, to the end of the First World War in 1918, Pedigree is an epic of everyday existence in all its messy unfinished intensity and density, a story about the coming-of-age of a precocious and curious boy and the coming to be of the modern world.

Paul Tanner, documentariste animalier, menait une existence paisible avant d’hériter de la maison familiale. Décidé à la restaurer de fond en comble, il entreprend des travaux. Tous les corps de métier se mettent à défiler chez lui : maçons déments, couvreurs délinquants, électriciens fous. Tous semblent s’être donné le mot pour lui rendre la vie impossible.

Taking a job as an assistant to extreme sports enthusiast Will, who is wheelchair bound after a motorcycle accident, Louisa struggles with her employer’s acerbic moods and learns of his shocking plans before demonstrating to him that life is still worth living.

This is the autobiography of Dr. AA Siassi who was born in Iran in 1896. It traces his early education in a country with rich culture, but very poor educational system with greater than 90 percent illiteracy rate and paucity of institution of higher learning. He was the youngest person at age of 17 to be selected as part of 23 students for study in France. His passion for learning research and writing culminated in a PhD degree from Sorbonne University with honors. Returning to Iran, he started his teaching careers from early 1920s to late 1970s. He was the founder of modern scientific psychology in IRAN. He was instrumental in organizing Tehran University as a cohesive unit, becoming his first president and advancing its reputation as one of the best universities in middle east in 1940s. He served as minister of education in several cabinets with primary aim of drafting bill and law for National Compulsory free Education and Teacher Training Colleges and took necessary measures for its enforcement 1943. He dedicated his entire life to teaching, advancement of knowledge and culture and Universal Free Education for all his countrymen.

Paul Stern - toulousain, la cinquantaine - hésite. Entre une épouse (Anna) qui s’enfonce dans une profonde dépression et s’éloigne de lui chaque jour davantage et un père (Alexandre) dont le remariage scandaleux lui révèle soudain la vraie nature, il est tenté de tout abandonner. La proposition d’un studio de cinéma tombe à pic : quoi de plus providentiel qu’une année à Hollywood pour réécrire le scénario d’un film français afin d’en tirer un remake ? Embauché par la Paramount, Paul découvre un univers entièrement fictice qui le renvoie à ses propres contradictions. Jusqu’au moment où, dans un couloir des studios, il rencontre Selma Chantz. Et sa vie bascule. Car Selma est le sosie parfait d’Anna, avec trente ans de moins. Après un détour par le comique (Vous plaisantez, monsieur Tanner) et l’inquiétante étrangeté (Hommes entre eux), Jean-Paul Dubois a écrit un grand roman sur l’illusion dont chacun de nous est la proie, tout en jetant sur son époque un regard lucide. On y retrouve le souffle romanesque d’Une vie française, et le charme de ses héros, éternels adolescents écartelés entre leur amour de la vie et leur sens aigu de la culpabilité.
